

COVID-19 MITIGATION POLICY

In an effort to minimize exposure to the SARS-CoV-2 outbreak and the COVID-19 disease please read and comply:

A face mask/covering is required while in the studio. Your mask may be removed during specific services when instructed.

Please wash or sanitize your hands upon entry to the studio. Protective gloves worn into the studio will need to be discarded.

Please refrain from touching your face if your mask is removed during a service. Cover your mouth if you need to cough.

Clients should come alone (if possible) and practice social distancing while in or near the studio, including during parking.
